Strengths

| BSW/MSW Field Instructor Assessment of Student |
|--|
| McKenzie has demonstrated that she is an eager and conscientious intern and budding professional social worker. No one at Halcyon considers McKenzie as a student but rather as a colleague. She has taken on the full tasks and responsibilities of social work for the patients to whom she is assigned. |

| On-site Supervisor Assessment of Student |
|--|
| |

| Student’s Comments |
|---|
| Understanding Role of Intern Hospice Social Worker Advocate for Patients Broker for resources Counselor for Bereavement Community Change Agent in Foothills for Hospice care Mediator Researcher for updated resources Reliable source to Team members Flexible Scheduling 'Meeting Clients where their at' Confidence in field |

Areas for Growth

| BSW/MSW Field Instructor Assessment of Student |
|---|
| Look at future application of her hospice experience in terms of making herself more marketable once she is ready to start applying for professional positions. |

| On-site Supervisor Assessment of Student |
|--|
| |

| Student’s Comments |
|---|
| Too hard on ones own work Progress towards understanding boundary crossing |
